DATASHEET

CAIM ECDIS 900 MC15

Born from the pre-existing MARIS ECDIS-900, CAIM ECDIS900 is an IMO-type approved navigation system, designed for use aboard SOLAS vessels subject to ECDIS carriage mandates. With a standard Windows 10 interface making its use very intuitive, the ECDIS900 can be delivered with a 19", 24" or 27" display and comprehends, in addition to mandatory ECDIS features, the most comprehensive set of additional navigation functions. With latest generation hardware with WIN10, Glass Display Control, LED Backlight Technology, full dimming and multipower.
